Arrived 1 minute ago, will check it out but will rely on tomorrow's noon workgroup meeting to see what OW and R10 say in their in-depth review.

This extends our duty to act by 6 months.

Lisa and Lon,

Here is Idaho's submittal of our 2016 human health criteria update for EPA's consideration and approval. As indicated below a hard copy is being FedEx'ed to you two and Dan. That hard copy will include a CD with copies of additional supporting documents, those listed in attachment 10, and a copy of our web page for this rulemaking docket, which includes all the materials distributed and posted in support of that rulemaking effort, in addition to the attached 13 documents.

If you have any questions, please contact me.

FYI, our UAA rule submittal should be coming your way soon as well.
